

**Wednesday**

## ***JEEP TOUR in the HEART of MOLISE***

- 7.45 am - transfer to reach the meeting point in Campobasso and to start a striking Land Rover excursion in the heart of secular history and in the uncontaminated nature of “**Appennino Sannita**” and the “**Massiccio del Matese**”.  
*(Any departure time changes will be communicated the day before)*
- 9.30 am - on board of a **Land Rover** with skilful drivers and exploration professionals, begins an unforgettable adventure, driving on forgotten and secondary roads, discovering many hidden corners that time and nature jealously guards along the route of **Tratturo “Candela e Pescasseroli”**.  
The Tratturos, witnesses of centuries of history, have been for centuries not only the paths along which seasonal livestock transfer took place but also an efficient network of roads crossed by thousand of merchants, craftsmen and travels.  
In Molise, luckily, a part of this old network of roads, is still viable and allows to admire the environmental, natural, archaeological and historical beauty of ancient shepherds’ streets.
- 11.00 am - visit of the ancient village of Guardiaregia and the **Canyon of Quirino River**; the “Via delle grotte”, “Pozzo della neve”(-1048 meters below the sea level) “Valle Uma” and its high centuries-old beech trees; then you can admire the Bojano’s plain seen from above.
- 12.45 am - pleasant break for **lunch** surrounded by the spectacular scenery of Santa Maria’s source for with a delicious roast beef (*optional*).
- 4.00 pm - visiting some of the most interesting **archaeological sites** of Molise: Altilia, San Pietro Dei Cantoni e Terravecchia and you can also admire ancient fountains, springs, taverns, little churches, mills and castles.
- 6.30 pm - return to Campobasso.
