

In June and September every **Tuesday**

In July and August every **Tuesday** and **Thursday**

FISHING on the BOAT along the COAST

7.15 am - transfer to reach the meeting point at Termoli's harbour in the bus parking.

(Any departure time changes will be communicated the day before)

8.30 am - departure from the Termoli's harbour for an unique opportunity on board of modern, safe and fast ships, to live the emotions of an ancient activity; during the tour you can admire the beautiful sea scenery.

Fishing offers an extremely and unique way to know the sea, where emotions and adventures come together in charm, tradition and culture.

11.00 am - followed by an expert staff and valid operators the course begins to teach the various techniques of professional fishing, the most suitable type of equipment, some of the methods used to distinguish the various tools and identify the various fish species living in our water. The preparation of equipment, the best search bait, discover new dry and all that surrounds a day of fishing become rituals, which are the symbol of life for people who love the sea and the natural bond that is created.

During the fishing, will be offered to passengers fresh soft drinks to relieve hot, sunny and sultry days.

2.00 pm - return to Termoli's harbour after a pleasant time in front of the Molise's coast.

HAVE FUN!!!
